

This Pumptrack represents endless fun: the waves, the curves and, if you want, the jumps are designed in such a way that they can be performed by continuous up and down movements, the so-called "pumping". So no need to pedal or push here!

I always wear a helmet and other protective gear.

For breaks I use only the rest area.

I leave nothing on the pump track and dispose my trash properly.

I do not use motorized vehicles on the track.

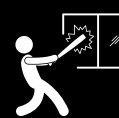

I dress modest. I don't wear a Bikini. I use always a Shirt.

I will not be under the influence of or use alcohol or smoke or use other drugs on the property.

I don't use bad words.

I do not vandalize the property. (I don't paint walls, destroy anything or steal anything.)

When I hear the whistle, I stop immediately

As a pedestrian and spectator I avoid the track.

Me and my parents sign that I use the pump track at my own risk. (If you are under 18, your parents must sign.)

I always respect those in authority and everyone else too.

USE OF THE PUMP TRACK IS FREE TO THE PUBLIC. HOWEVER, WE WOULD LIKE TO POLITELY ASK FOREIGNERS TO MAKE A 5 \$ DONATION PER PERSON TO KEEP THE PUMP TRACK INTACT, SAFE AND CLEAN AND TO PAY OUR SECURITY GUARD & SKATE INSTRUCTOR
